President

In accordance with KRS 164.945 - .947 and 13 KAR 1:020, this is to confirm that the **Spalding University's** conditional license with respect to the Doctor of Physical Therapy program (CIP code 51.2308) is hereby extended to December 9, 2024.

The licensure of this program remains conditioned upon the university submitting approval documentation from CAPTE to CPE once received. We received from the institution on February 19, 2021 the approval documentation from SACSCOC dated February 12, 2021.

This current conditional license is valid through December 9, 2024, at which time CPE will need to determine if an additional extension may be issued if the university has not obtained CAPTE accreditation by that date.

Once CPE receives assurance that Spalding University has satisfied these conditions, CPE will remove the university from conditional license status with regard to this program. A conditional license may not exceed two (2) years. Failure to satisfy the conditions in that time frame may result in revocation of the university's license for this program. An extension of the conditional license may be granted upon request of the institution with supporting justification.

If you have any questions, please contact Ms. Sarah Levy, Executive Director of Postsecondary Licensing, by phone (502) 892-3034, or by email (sarah.levy@ky.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Rawdon". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
