**Aaron Thompson, Ph.D.**  
President

In accordance with KRS 164.945 - .947 and 13 KAR 1:020, this is to confirm that the **University of the Cumberlands** conditional license with respect to the Doctor of Physical Therapy program (CIP code 51.2308) is hereby extended to March 3, 2025.

The licensure of this program remains conditioned upon the university submitting approval documentation from CAPTE to CPE once received.

This current conditional license is valid through March 3, 2025, at which time CPE will need to determine if an additional extension may be issued if the university has not obtained CAPTE accreditation by that date.

Once CPE receives assurance that the University of the Cumberlands has satisfied these conditions, CPE will remove the university from conditional license status with regard to this program. A conditional license may not exceed two (2) years. Failure to satisfy the conditions in that time frame may result in revocation of the university's license for this program. An extension of the conditional license may be granted upon request of the institution with supporting justification.

If you have any questions, please contact Ms. Sarah Levy, Executive Director of Postsecondary Licensing, by phone (502) 892-3034, or by email ([sarah.levy@ky.gov](mailto:sarah.levy@ky.gov)).

Sincerely,

A handwritten signature in black ink, appearing to read "Aaron Thompson".
