During the period of the agreement, the chancellor of the Ohio Board of Regents will consider residents of Bracken, Lewis, Mason, and Robertson Counties who attend the University of Cincinnati-Clermont College under this agreement as qualifying for Ohio resident tuition rates and as Ohio residents for the purpose of allocating funds to the University of Cincinnati-Clermont College.
- b. During the period of this agreement, the Kentucky Community and Technical College System and the Kentucky Council on Postsecondary Education will consider residents of Adams, Brown, and Clermont Counties who attend Maysville Community and Technical College under this agreement as qualifying for Kentucky resident tuition rates and as Kentucky residents for the purpose of allocating funds to Maysville Community and Technical College.

6. Continued Eligibility

Once enrolled as a reciprocity student, each student demonstrating satisfactory academic performance under already existing standards and criteria of his/her institution will continue to receive reciprocity benefits under this agreement through graduation for the degree in which enrolled, as long as a reciprocity agreement exists. Student participation is subject to the terms and conditions of the reciprocity agreement in effect at the time of initial enrollment, and, in the event of termination, each student will be informed by the enrolling institution of his/her future status. If the agreement is terminated, participating institutions may agree at that time to continue tuition reciprocity for students appropriately enrolled in eligible programs at the time of termination until completion of their programs of study, subject to the biennial limitations as described in paragraph II.1.

7. Notice, Application, and Waiver

The availability of resident tuition rates under this agreement shall be advertised to applicants and/or to students of Maysville Community and Technical College and the University of Cincinnati-Clermont College by any means deemed appropriate by those institutions.

All eligible students who want to receive resident tuition rates under this agreement must apply for such rates at the institution where they plan to enroll. Failure to apply in the manner required by each institution and in advance of enrollment will constitute a waiver of all rights under the terms of this agreement for that quarter or semester of enrollment and any preceding quarter or semester of enrollment for which no application was made. Each institution will develop a process for applicants to use in order to apply for resident tuition rates under this agreement.

8. Annual Report

By June 30 of each year, the Kentucky Community and Technical College System, Maysville Community and Technical College, and University of Cincinnati-Clermont College agree to provide annual reports on the enrollment and fiscal implications of the agreement to the other respective institutions, the Kentucky Council on Postsecondary Education, and the chancellor of the Ohio Board of Regents. Specific forms for the annual report may be prescribed by the state agencies.
