**Madisonville Community College
Campus Visit**

The committee conducted a campus visit at Madisonville Community College March 2007, adopted the final report of the campus visit June 2007, and requested that a report regarding the implementation of the recommendations be given at the October 15, 2007 meeting. This represents the initial MCC report on the status of implementing recommendations contained in the CEO campus visit report. The report is expected to identify strategies used by the institutions to implement each recommendation and include discussions regarding the level of success and how success is evaluated. Representatives of Madisonville Community College and the Kentucky Community and Technical College System will be present to present the report.

Status reports are intended to assist the CEO in addressing its responsibility to monitor institutional progress in implementing *The Kentucky Plan for Equal Opportunities* and the Partnership Agreement with the U. S. Department of Education's Office for Civil Rights.

A written report is attached.
