

## Business start-ups

Status: Losing Ground

Source: Association of University Technology Managers survey

### Highlights

- After rising to 11 last year, UK fell to 6 start-ups in 2008.
- UofL reported 3 new start-ups for the fourth year in a row.

### About this measure

To encourage the vital entrepreneurial role of Kentucky's research universities, this indicator tracks the number of new business start-ups formed during a fiscal year that were dependent on the licensing of an institution's technology, as reported to the Association of University Technology Managers (AUTM).
