FOX LETTER           Mr. Turner read the following letter received from Virginia Fox and asked that it be included in the official minutes of this meeting:

Mr. John Turner, Chairman  
Kentucky Council on Postsecondary Education  
1024 Capital Center Drive, Suite 320  
Frankfort, KY 40601

April 29, 2008

Dear Chairman Turner,

*This letter is to state my disagreement with the conclusions of attorneys for the Council for Postsecondary Education and Governor Beshear as to my status on the Council. This was evidently based solely on the failure of the House to vote on my nomination. Section 93 of the Kentucky Constitution clearly states that only the consent of the Kentucky Senate may be required. The provisions of KRS 164.011(1) on its face violate Section 93. Further, KRS 164.011(2) violates my rights under the 14<sup>th</sup> Amendment to the U.S. Constitution.*

*I believe that I was confirmed, am still a member of the Council and that no vacancy exists for my position. Any action by the Council or the Governor to the contrary could be construed as acting under color of law to deprive me of my rights.*

*I wish to be very clear that my current non-participation in the Council's meetings is in no way a waiver of my rights under Section 93 of the Kentucky Constitution and under the U.S. Constitution.*

*Very truly yours,*

*Virginia G. Fox*

CLOSED  
SESSION

MOTION: Mr. Flanagan moved that the Council go into closed session to discuss the appointment of an employee of the Council as permitted under KRS 61.810(1)(f). The motion was seconded by Mr. Quarles.

VOTE: The motion passed.

Mr. Turner said that the Council will reconvene and may take action. The Council recessed at 11:40 a.m. and moved to Meeting Room B for the closed session.

RETURN TO  
OPEN SESSION

The Council reconvened in open session at 1:15 p.m.

MOTION: Mr. Flanagan moved that the Council come back into open session. Ms. Bertelsman seconded the motion.

and mandatory fees recommendations. The Council also is meeting May 23.

REMARKS BY  
MR. COWGILL

Mr. Turner said that since this is Mr. Cowgill's last day that he be given the opportunity to make a statement to his friends and colleagues on the Council.

Mr. Cowgill said that he wanted to take advantage of the opportunity to tell everyone in this room what a genuine privilege it has been for him to work with the Council over the last eight months. He said that he is extremely thankful for that opportunity. He said there is not a person in this room that has not played an important role; this has been very much a team effort and he thanked everyone. He said that he was drawn to this business by his profound belief that if the Council does not do the job that was assigned to it by the laws passed in 1997, then the goals embedded in that law will not be achieved. He said this is an extremely important agency. It is an advocate for the statewide aspect of the goals. He said when seen through the eyes of a former budget director he feels that there is genuine reason for concern as to whether some of the goals can be achieved by 2020, for example the Double the Numbers goal, unless the always limited resources available are used at the highest level of production that can be achieved. He said that it is possible if everyone works together and with some measure of creativity to find better ways to do that and thereby to increase the probability that the goals will be achieved. He said that it has been a pleasure to work with the presidents and he has been inspired by their diligence. He said that it has been a pleasure to work with the Council members and its leadership.

Mr. Turner thanked Mr. Cowgill and said that he has been tireless and selfless in his service to the Commonwealth and postsecondary education in particular.

ADJOURNMENT The meeting adjourned at 1:18 p.m.
