KY ACM Program Review Request Form

Students requesting a program review should complete all fields on the left side of this form. List all required core courses for the major and concentration, if applicable, along with the credit hours for each course. Do not include general education courses. Reuse form on 2nd page if additional space is needed. Email the completed form to jenny.fothergill@ky.gov. In your email, include links to the program overview, curriculum, and course descriptions from the out-of-state university's website.
