Dear President Allen:

The Council on Postsecondary Education (CPE) has received Georgetown College's Supplementary Application for Notification of Change in Accreditation and Licensure Status Pursuant to 13 KAR 1:020 due to Georgetown College's placement on Probation for Good Cause by The Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) accrediting agency. In accordance with KRS 164.945 - .947 and 13 KAR 1:020 Section 7(1)(e), Georgetown College is hereby placed on conditional license for failure to comply with SACSCOC's Core Requirement 4.1 (Governing board characteristics), Core Requirement 13.1 (Financial resources), and Standard 13.3 (Financial responsibility) of the Principles of Accreditation as related to CPE's Standards for Licensure set forth in 13 KAR 1:020 Section 8.

This license is conditioned upon Georgetown College:

1. Submitting to the CPE President copies of documentation submitted to and received from SACSCOC regarding the institution's Probation for Good Cause with SACSCOC. 
2. Providing updates and information to CPE upon request and at least quarterly until such time as the institution is no longer on Probation for Good Cause with SACSCOC. 
3. Providing quarterly updates to CPE until such time as the institution's Federal Financial Responsibility Composite Score reaches 1.0 or higher.

Once CPE receives assurance that Georgetown College has satisfied these conditions, CPE will remove Georgetown College from conditional license status. A conditional license may not exceed two (2) years. Failure to satisfy the conditions in that time frame may result in revocation of Georgetown College's license or an extension of the conditional license upon request of the institution with supporting justification.

If you have any questions, please contact Ms. Jevonda Keith, Executive Director of Postsecondary Licensing, by phone (502-892-3031), or by email (jevonda.keith@ky.gov).

Sincerely,
