In accordance with KRS 164.945 - .947 and 13 KAR 1:020, this is to confirm that the **Spalding University's** conditional license with respect to the Masters of Arts in Clinical Mental Health Counseling program (CIP code 51.1508) is hereby extended to December 15, 2023.

The licensure of this program remains conditioned upon the university submitting approval documentation from CACREP to CPE once received. We received from the institution on June 8, 2020 the approval documentation from SACSCOC dated June 7, 2020.

This current conditional license is valid through December 15, 2023, at which time CPE will need to determine if an additional extension may be issued if the university has not obtained CACREP accreditation by that date.

Once CPE receives assurance that Spalding University has satisfied these conditions, CPE will remove the university from conditional license status with regard to this program. A conditional license may not exceed two (2) years. Failure to satisfy the conditions in that time frame may result in revocation of the university's license for this program. An extension of the conditional license may be granted upon request of the institution with supporting justification.

If you have any questions, please contact Ms. Sarah Levy, Executive Director of Postsecondary Licensing, by phone (502) 892-3034, or by email (sarah.levy@ky.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Rawdon". The signature is fluid and cursive, with a long horizontal flourish extending to the right.
